

## **MEDIA FOR EVERYONE**

Each week the teacher and student discuss everything regarding: Media (video games, books, movies, tv shows, comics, cartoons, and everything in between, with an emphasis on “nerdy” stuff for lack of a better term.

They discuss news and developments, analyze storytelling concepts/tropes, discuss pieces of art and entertainment that they enjoyed, recommend stuff to each other, highlight different creators/artists, have debates sometimes, play trivia games, etc.
